Subject AOC

Jim:

Paragraph 16 of the AOC will state that EPA has notified the State in writing of the negotiation of the order. Kevin and Nancy have talked and decided that you need to write a letter to the State. Nancy will contact you but Kevin asked me to contact you as well. They want you to do what you did on the AOC for the EECA.

They should have another draft on Monday.

They want to push it up for concurrence next week.

Thanks

Kerry
